Heagney Achieves 100% Voting Record

Simsbury Legislator Has Perfect Roll Call Voting Record

HARTFORD- State Representative Rob Heagney (R-Simsbury) has earned a one hundred percent voting record for all roll call votes taken on the floor of the House of Representatives during the 2006 Regular Session, being present for 320 out of 321 votes. The House Clerk's Office released the data on members' votes earlier this week.

"I take the commitment to representing my constituents on every vote very seriously," said Representative Heagney. "Maintaining a good voting record isn't easy. There is always other legislative business taking place during House sessions, and it adds additional challenges keeping on top of casting votes. I am proud to have been there to represent the residents of my district on every vote, save one I missed due a traffic accident holding me up."

A perfect attendance is a very difficult thing to achieve according to Heagney, who observed that less than 20% of his colleagues in the House were able to attain it this year.

The next regular session of the legislature will convene in January of 2007. Representative Heagney is serving his fourth term representing the 16th District, which consists of the town of Simsbury, in the Connecticut General Assembly. He currently serves as Minority Whip of the Republican caucus.
